

mPrint™

Mobile card imprinter

mPrint is a portable, PCI Compliant receipt imprinter. With it's compact size, durability, lightweight design and unique PCI Compliant receipt truncation slips, **mPrint** makes the perfect companion to VaultPOS providing mobile receipt imprinting ideal and affordable for any credit card transactions requiring a paper receipt.

mPrint will always truncate the first (12) digits of the transaction card holder data and deliver a clear crisp impression, also, is less than five inches square when folded down, so it fits neatly in the palm of your hand. **mPrint** includes (100) PCI receipt slips, a belt-clip nylon holster and screw to secure merchant plates.

mPrint is great for:

- ✔ Taxi cabs
- ✔ Tow trucks
- ✔ Limousine services
- ✔ Plumbers
- ✔ Electricians
- ✔ Tree trimmers
- ✔ Carpet cleaners
- ✔ In-home sales /home parties
- ✔ Pizza/food delivery service
- ✔ Tradeshow merchants

mPrint Features:

- ✔ Plate layout: 4 lines, max 15 characters per line.
- ✔ Merchant plates are sold separately.
